Inaugural Meeting of City Council

The first meeting of the new City Council was held on Monday, Jan. 3rd. All the members were present, and Mayor Holmes occupied the chair.

The following councillors were sworn in for two years: Messrs. Mitchell, Boese and Hincrose.

The following officers were appointed: J. F. Reynolds, sec-

retary; Dr. Steeves, health officer; H. O. Haslam, solicitor.

Board of Health—The Mayor, Health Officer, T. C. Milnes, 1 year, M. Fisher, 2 years; Wm. Moffatt, Sr., 3 years.

The chairmen of the various com- mittees are:

Finance Publicity and Town Prop- erty—Ald. Renicke.

Water—Ald. Mitchell.

Light—Ald. Boese.

Fire and Police—Ald. Godley.

Health, Relief, Nuisance and Cemetery—Ald. Ringrose.

The City Treasurer reported the finances of the town to be in good condition.

For 1916, the bid undertakings will be several blocks of sidewalks and repairs to the water mains.

Meetings of the Council will be held on the 1st and 3rd Thursday of each month.

Mr. A. E. Strange is taking out an auctioneer's license shortly and will then be in a position to conduct sales. Mr. Strange has had con- siderable experience as an auctioneer in England and should prove very efficient at the work. Anyone who is planning for a sale should keep this in mind.

will keep it in.

THE OLD RED STAND

J. W. Hallett

On Friday last, the ladies of the Patriotic League gave a Leap Year Dance in the Odd Fellows' hall. Seventy-five couples responded to the call, and a very enjoyable evening was spent. The Macloughlin orchestra was present and furnished excellent music. An interesting feature was the raffling of a quilt made by some of the ladies. One hundred and forty-one tickets were sold at 10c. each. The quilt was won by Mr. G. Carney. A very fine supper was served at the close. The proceeds go to the Patriotic Fund.

The U. F. A. have rented the room next to the Advertiser office. The intention is to fit it up for a reading and rest room. The place will be heated and supplied with literature. This is a move in the right direction. We would suggest that a library be provided and everything done to make a counter attraction to the saloon. At the present time the only place one can go for a warm up and a rest to the hotel which too often proves to be not very beneficial. The U. F. A. is to be commended for this forward move, and the Advertiser predicts that it will result in a large increase in the membership of the organization.

Local and General

Master H. Leeds returned to Cal-gary on Monday night, where he is attending school.

The case of C. F. A. Leeds v. J. H. Pierce, which bears on the herd laws, was adjourned to Monday, Jan. 17th, at 10 a.m.

Mr. Adolph Amundsen is now a "daddy." A bouncing boy arrived last Sunday night, and Adolph has been wearing a smile ever since.

The stork paid a visit the home of Mr. and Mrs. Galdi, on Sunday last, and left a fine girl. She is now receiving every care from the delighted parents.

J. M. Soby has taken the agency for the MacLaughlin automobile. He is planning to build a garage shortly and a carload of these machines will arrive in the early spring.

The installation of officers of the Oddfellows lodge will be held next Monday night. Supper will be served during the evening by Bro. E. G. Barber. It is hoped that every member will be present.

Mr. and Mrs. C. F. A. Leeds, accompanied by Miss Macjory and Master Eric, left on Tuesday night for Calgary en route to California, where they will spend the rest of the winter with Mrs. Leeds' sister, Mrs. Lord, at Los Angeles.

An interesting evening was spent at the Epworth League last Monday. Mrs. Larkin gave an address which was very helpful. Next Monday's meeting will be in charge of Miss Soby and Mr. John Dahl will give the address. These meetings are proving very interesting and should be better patronized by the young people of the town. Everyone is welcome.

We would call the attention of our readers to Mr. Walton's advertisement on this page. Mr. Walton is adopting the most up-to-date sanitary methods in handling milk. His milk is sold in closed bottles and delivered daily. He is also offering Devonshire Cream which, no doubt, will appeal to everyone who has ever tasted the real thing. If you have not, try it.

Mr. Stevenson, of Fort Benton, arrived in Claresholm on Tuesday last to look after his farm interests here. Mr. Stevenson is one of the old-timers of this district, having settled in this neighborhood before the town was started. Seven years ago he left here and homesteaded in Montana, securing an excellent piece of land. He reports good crops last season.

On Friday last, the ladies of the Patriotic League gave a Leap Year Dance in the Odd Fellows' hall. Seventy-five couples responded to the call, and a very enjoyable evening was spent. The Macloughlin orchestra was present and furnished excellent music. An interesting feature was the raffling of a quilt made by some of the ladies. One hundred and forty-one tickets were sold at 10c. each. The quilt was won by Mr. G. Carney. A very fine supper was served at the close. The proceeds go to the Patriotic Fund.

The U. F. A. have rented the room next to the Advertiser office. The intention is to fit it up for a reading and rest room. The place will be heated and supplied with literature. This is a move in the right direction. We would suggest that a library be provided and everything done to make a counter attraction to the saloon. At the present time the only place one can go for a warm up and a rest to the hotel which too often proves to be not very beneficial. The U. F. A. is to be commended for this forward move, and the Advertiser predicts that it will result in a large increase in the membership of the organization.

Mr. Fred Anderson has been very sick during this past week.

J. A. Ellis, of Granum, spent the week-end with friends in town.

Mr. A. M. Wynn was a visitor to Claresholm on Tuesday.

Claresholm has been enjoying 30 and 40 below zero weather. The citizens who enjoyed it most, however, were the coal dealers.

Claresholm sent two rinks to Okotoks hospital on Monday. The ships were Messrs. Holmer and Moffatt.

J. W. Hallett is taking orders for Lamp Hard Coal at \$8.50 per ton C.O.D. A car will be on the track in a few days. Orders are coming in fast.

Little Jack Frost, Esq., had some quiet fun with the school kiddies this week, nipping their ears, cheeks and fingers. Quite a few were frost-bitten when they arrived at school on Monday morning.

Mrs. B. M. Larkin made a business trip to High River on Saturday. While there she purchased the mil-linery shop of Miss Jean Simpson, and will take charge of it in the near future.

Ed MacCandlish, who used to farm near Claresholm, has been visiting friends here for a few days. He was among the number who made the rush for Montana a few years ago, but they all come back to the old spot.

Mr. E. Tovell is hauling coal from Woodhouse this week. The U.F.A. of that district received a car of Galt coal recently, and having a few loads over what they needed themselves, they are allowing it to be hauled to Claresholm, where there is a shortage of good coal.

MARRIED—At the home of W. C. Burnham, Claresholm, on Saturday, Jan. 8th, Mr. Alfred Smith, of Claresholm, was united in marriage to Miss Amy Walker, of Pincher Creek. Bishop Whitehead, of the Mormon Church, did the knot. The young couple will live in Claresholm.

A farewell dance was given in the College Hall, on Monday last, for Mr. H. Hirsch, a graduate of the college, who has lately enlisted. A very pleasant time was spent. Mr. Hirsch left for Calgary on Tuesday.

One hundred and fourteen pupils are in attendance at the Camrose Normal School. Among the names appearing in the list are Miss M. J. McKimney, of Claresholm, and H. D. Ainlay, of Parkland.

Meadow Creek School

Grade VIII.—Lucy Hart, 75%; Bessie Bell, 73%; Jean Bell, 71%; Promoted to Grade VI—Mary Marjorison, 75%; Carl Crawford, 74%; Robert Vance, 45.

Promoted to Grade IV.—Walter Sawmeyer, 74; John Crawford, 73%; Alton Marjorison, 72%; Florence Vance, 62%.

Promoted to Grade III.—Gordon Watson, 67%.

Promoted to Grade II.—Verna Butts, 77%; Helen Butts, 76.

Grade I.—Anna Crawford, 81; High Vance, 78.

He Had Revenge

New Bedford, Mass., Jan. 6.—James Cooper, a former mill over- seer in this city, who joined the British army after the loss of his wife and child on the Lusitania, has written friends in this city that in a fight on the Gallipoli peninsula he jumped out of a trench, rushed to the opposing lines and killed five of the enemy without receiving a wound. Cooper said that his act was inspired by the remembrance of what happened on the Lusitania.

Stavely News Notes

No excuse offered by your corre-spondent—only just the gripper.

Mrs. Albert Young, of Ashton, South Dakota, was out to see her father, C. J. Wynn, of Stavely, who was very low, but we are glad to report that he is some better again.

Bad colds and grippers are prevalent throughout the district.

The addition to the Alberta Pacific Grain Co.'s warehouse is about completed, but the work of transferring the grain has been delayed by severe weather.

Mr. and Mrs. E. C. Walster are expected to arrive home any day now. We wish them happiness and prosperity.

Mr. H. M. Amestad is shipping a carload of seed oats to Washing-ton. The order calls for good seed and Mr. Amestad has the quality.

Mr. T. Rifford is drilling a well for Mr. Carbine.

The elevators have been able to get a few cars and are now able to handle some grain, but bad roads are holding the farmers back.

Keep in mind the entertainment and box social at Ballour school house on Jan. 14th. Come and have a good time.

Dr. and Mrs. Dixon, of Stavely, left Monday night for Rochester, Minn., where Mrs. Dixon will undergo an operation.

Miss R. Ree went to Claresholm Monday night, where she will see for Mrs. F. Anderson.

Mr. and Mrs. M. Crossman and children of Stavely, Alta., spent the Christmas holidays with Mrs. A. Crossman and other friends in town.—Dildbury Pioneer.

"Go Thou and Do Likewise"

Camrose Provincial constituency has covered itself with glory by sub-scribing over \$21,075.85 to the Patriotic fund.

As an illustration of the way things were done in the northern constituency, Camrose and sur-rounding district were asked for \$3,500 and they have given more than \$7,000. Belf and Dayland were asked for \$1,500 each, and in both cases the amounts are more than doubled. Olafson and Bushaw were each asked for \$500, and they have given two and one-half times the amount asked. Duhamel, Round Hill, Deasdale, Morning Creek, New Norway, Ferintosh, Hastings Creek and Elberg were each asked for \$250, and the amount in nearly every case has been doubled, while Duhamel has given more than three times the amount asked. Dorendie was asked for \$100 and Spilted and Hay Lake for \$50 each. Every district has made good.

Have Lost Their Chance

An English correspondent quotes a Hungarian member of parliament as saying "Whatever Austria-Hun-gary and Germany have done up to the present, they have done owing to their numerical strength on the field, and their superiority in ma-chines and organization. At the rate we are going at present, this superiority will soon vanish, for the mistake we made was in believing that the war would not last longer than a year. Germany was well organized for a one-year war, and they succeeded in putting our army in good condition also for that period. But unless we can win the next few months the peace which is very unlikely, we shall have lost all our initial advantages, and will have to fight against time with con- tinually diminishing forces against a continually learning and develop- ing enemy."

Move to Make Canada Dry

A movement is on foot to induce the Dominion Government to pass Legislation prohibiting for the du- ration of the war, and for three years thereafter, the manufacture, impor- tation, and sale of intoxicating liquor throughout Canada, and that this law may only be repealed by direct vote of the people.

U.F.A. Meeting

A meeting of the U. F. A. was held in the room next to The Advertiser office on Wednesday of this week.

A good attendance of members were present, and a number of new mem- bers joined. There was a good spirit in the meeting and the mem- bers took part very freely in the discussions.

The secretary explained the dif- ficulty of doing business without capital, and showed clearly that the farmers might benefit much more from their organization if there was a little capital in hand to do busi- ness with. After considerable dis- cussion a resolution was carried to solicit the members of the union for a subscription of \$5 each in order that a fund might be created for this purpose. It was definitely under- stood that this was in no way to be considered compulsory, and that one dollar, as in the past, would entitle anyone to membership in the Union. A committee was appointed to canvass the members for this purpose. The members of this committee are Mr. F. R. Brown, R. Law, E. Tovell, T. C. Larson, Ed. Brown, Ed. Strangway, H. Paulson.

It was also decided to engage permanently the room next the Advertiser for the use of the U. F. A. members.

The resolutions that are to come before the Convention were read, but owing to the time being so short, it was left to the eight delegates who will attend the convention to use their best judgement in recording their votes on the various questions that could be up for discussion. The U. F. A. in starting out the New Year under new officers is hopeful of making this the best year in its history. The meetings will be held regularly and it is hoped that as the hall is so convenient to anyone who is in town, on business, that they will be attended by every member.

Mr. Walton reported that Mr. Chambers had offered the use of half a column each week of the Advertiser to the U. F. A. in which they could advertise the meetings and write up any U. F. A. news. A note of thanks was tendered Mr. Chambers and the offer was duly accepted.

A Spread of 8 Cents

In the early days of the crop move- ment the spread between the cash price for wheat in Minneapolis and Winnipeg in favor of the former market was very noticeable, but as the season advanced the heavy pre- miums for prompt delivery at the lake terminals gradually wiped out the difference and for a short time put Winnipeg in the premier po- sition as to price. With the close of navigation, however, the spread re- turned to Canadian wheat. During the wheat selling season, except for short periods when an exceptional season arises owing to a demand for wheat for lake cargoes, Minne-apolis wheat prices are always higher than Winnipeg prices. It is for this reason that the demand for free wheat to justify this state of affairs if they can.

LOCAL NEWS OF TOWN AND DISTRICT

BY OUR STAFF REPORTER

GRANUM, ALBERTA, JAN. 13, 1916

On Tuesday the thermometer registered 45 below zero.

Miss Broadfield, of Stavely, is visiting with Miss Macdonald.

Mr. Andrew MacMillan, has purchased the residence now occupied by D. Farmer.

D. M. Layden is visiting his father at Ottawa. Mr. Layden, Sr., has been very ill.

The gripple has been very common in town, quite a number of the residents being down with it.

T. J. Dolan went as far as MacLeod, on Monday, with his son who is attending the convent school at Pincher Creek.

J. C. Brown is building a new house on his farm, the lumber being supplied by the Western Canada Lumber Company.

N. P. Jorgenson has purchased about seventy-five head of sheep, and expects to devote more of his time to this profitable industry.

Mr. Hodgson, the public school inspector, has lately sent in his report for the Granum school. He highly commended the staff, and the maintenance and the discipline of the whole school.

Mr. Tom Dolan recently sold his farm on the Black Spring Ridge to Mr. Gibson, traveller for the Robin Hood Mills. Mr. Dolan has since bought the Thurston farm from Paul Clark.

Dr. W. A. Anderson has just shipped a car of live stock and machinery to Jolmer, on the Bessano-Express line. The doctor owns a section and a half of land there and intends going right in for farming.

The services in the Nazarene Church are growing in interest. The cold weather has no doubt made a difference in the attendance. Mr. Hatfield is an excellent speaker and the services should be of profit to all who will attend.

Some complaints have been made that some ladies have been making a practice of asking people on the street for "two-bits" to get a mail. It is possible, of course, that some may be worthy, but we are inclined to think that in most cases the applicants are not deserving and that the begging habit has become chronic with them.

Miss Edith M. Dawson, of Edmonton, is visiting with Mr. P. A. Clark. She is contemplating starting a music class in Granum and Claresholm. Miss Dawson is a qualified music teacher and comes highly recommended. Anyone wishing to take lessons should as promptly as possible see Miss Dawson.

On Thursday, the young ladies' sewing club are giving a Leap Year Ball. The moral salvation of young ladies' souls, on the street is "Who will you take on Thursday?" Some of the young men are getting anxious, and some of the beautiful ones are hoping to be helped out of a very difficult task. The young men are they are very willing to give away to the girls, and they hope the young ladies will not be backward in assuming the new obligations of Leap Year.

The annual meeting of the members of the Presbyterian Church will be held next week. We understand the financial affairs of the church are in a very satisfactory condition. During this last fall the balance of the church and parsonage debt has been entirely wiped out. It is hoped that there will be a good attendance at the annual meeting which will be announced next Sunday. Next Sunday a special sermon will be preached on "Patronage" by the pastor. Everyone will be welcome. Get in the habit of church-going. It will help you keep those New Year's resolutions.

R. J. Snell has bought the Granum drug store from Dr. Anderson.

The School Board has engaged the services of Miss Brown as the third teacher in the school.

Oscar Edwards has returned from Minnesota where he has been spending the holidays with his mother.

D. A. Boyle, of the Pacific Elevator Company, is down with pneumonia. It is reported that he is in a rather serious condition.

Mrs. D. Farmer and her two children, left on Tuesday for the Pacific coast, where she expects to spend the winter with her parents.

T. A. Atkinson has gone to Oregon for a visit. It is reported that he will return with his bride. The best wishes from the Advertiser.

It has been a little difficult to keep the heat up in one of the rooms in the school during the cold spell. Rather than risk the children catching cold, the principal very wisely dismissed the class after recess.

Mr. R. Macdonald has bought the old Allison building from the Home Savings Company and is fitting it up as a restaurant. We were told that it was already rented to Jim Lee.

The Patriotic Committee are planning an extensive canvass for the Patriotic Fund. We notice that in the little town of Bardette, with one hundred people, and the committee recently settled, they have raised \$1,400.00 for this worthy fund. Get your subscriptions ready, farmers and friends of the Empire. Some fine day the committee will call on you. We believe in the policy "Fight or Pay."

Mr. R. A. Richards, the groceryman, of Granum, has authority to take subscriptions for The Advertiser. Sample copies have been sent throughout the Granum district during the past two months. We cannot continue to do this for ever. We would like to put all those who are receiving the paper on our regular mailing list. Just call at Mr. Richards' grocery store and leave your name. We are doing our best to serve Granum with a paper, and we will do more yet if Granum will help. Everyone wants to know the events taking place in his own neighborhood. Any notices you send will be appreciated. Correspondence invited. You will help your own community by supporting The Advertiser.

Meeting of School Board

The first meeting of the Granum School Board, for this year, was held last week. Mr. G. A. Blair was elected chairman; Mr. P. S. Clark, secretary. The other members of the Board present were L. H. Cocklan, Ross Loughton, W. Z. Marsh. The report of the treasurer showed the finances of the school to be in splendid shape, all debts being paid and considerable balance on hand. A lot of business was transacted and arrangements made for the coming year. A discussion took place regarding the advisability of changing from a term to a year school. It was shown that it would considerably lessen the taxes and have many advantages. The secretary was instructed to take the matter up with the authorities and report at the next meeting.

The question of forming a consolidated school was also under discussion. The board felt that it would be a great benefit to the community if such could be formed for this district. It would give the children of the Granum district the educational advantages that children of the larger towns have, and it would not be necessary to send them away from home at so early a period in their lives. The board decided to investigate further
